- ★ **What do you see as the primary responsibilities of a Board member?**

- ★ **As a _____ Board member, how would you describe your primary role? Is it consistent with the responsibilities you described in question number one? Are you satisfied with your own level of involvement? How about the board in general?**

- ★ **What are your expectations (personally and as a board member) concerning fundraising for the organization? Are you personally committed to supporting the organization financially as well as with your time? How about with member relations?**

- ★ **In your opinion, what are the primary issues facing _____ as we move into this next year?**

- ★ **In your opinion, what is the primary issue facing _____'s Board of Directors this year?**

- ★ **What does the Board need in order to be more successful? What do you need from staff to support your work?**

- ★ **Have you met your give or get commitments yet? If not, what do you need to help you meet your goals?**
