Activity:

Diversity Action Plan

In light of our work, please describe one change you'd like to see in the way your organization addresses issues of diversity, equity, and inclusion—a change you can manifest in the next month.

What are the specific steps you'll need to take in order to achieve your desired change? How much time will each step take? Who will you need support from in order to be successful?

What are the obstacles that might impede your progress or get in your way?

How will you deal with these obstacles? What other resources might help you?

What measures will you use to evaluate your success? With whom will you share the victory?
