A place half-remembered, and half-envisioned that we can only catch glimpses of from time to time.

Community

Somewhere there are people to whom we can speak with passion without having the words catch in our throats.

Somewhere a circle of friends will open to receive us, eyes will light up as we enter, voices will celebrate with us whenever we come into our own power.

Community means strength that joins our strength to do the work that needs to be done.

Arms to hold us when we falter.

A circle of healing.

Someplace where we can be free.
